

COLLEGE ID CAMP

Boys and Girls Nov. 21-23
Temecula, CA

The Legacy College ID Camp is designed to introduce and expose players to college coaches. The College ID Camp will look to bring in 8 teams, 4 boys teams and 4 girls teams to be seen by over 8 college coaches for each gender. Each team will be trained on one half of a field by a minimum of one college coach. Each team will have a chance to be trained by all college coaches in attendance. Each team will have a minimum of 3 mini games coached and watched by all the college coaches to showcase their talents on the big field. Our unique format allows players to see how these college coaches conduct training sessions, while providing the coaches an opportunity to see the training habits of the players in their more natural environment.
